

# Business Matters

**Are you autistic or a carer of an autistic person?  
Do you have disability or care for a person with a disability?  
Want to work for yourself?  
Speak Arabic?  
Have a business idea?  
Live in Melbourne?**

Business Matters is for Arabic speakers who want to start a business and are autistic or care for an autistic person.

You can also apply if you have another disability or care for a person with another disability.

Training on:

- Business planning and development
- Tax and ABNs
- Marketing and promotion
- Disability
- Business network
- Budgets and finance

Participants will also be mentored by a successful business owner.

**Course date:** starting in October 2020

**Delivery mode:** online transitioning to face to face when safe

**Requirements:** computer, tablet or smartphone with access to the internet
