

Disability Liaison

Officer Program

Disability Liaison Officers (DLOs) are health workers who work in health services across Victoria.

DLOs help people with a disability to access health services and treatment.

There is no cost for this service.

DLOs can help you to:

- Get a COVID-19 vaccination.
- Get a COVID-19 test.
- Attend health clinics or hospitals.

For help with COVID-19 vaccination or testing:

Contact a DLO by scanning the QR code with your phone's camera or call the Coronavirus Hotline **1800 675 398**
